9. On a notified date by the Department concerned, the candidates who have qualified Entrance Test shall have to appear for an interview along with documents before the Departmental Research Committee (DRC) for approval of Research Supervisor. The Supervisor shall be approved by Departmental Research Committee (DRC), as far as possible, taking into consideration the choice of teachers (at least 3, if possible) given by the candidate and the consent of concerned teachers. In other cases the supervisor will be approved by the Departmental Research Committee (DRC) on basis of merit, specialization of supervisor and the interest area of the student.
 - a. After approval of the Supervisor, an eligible candidate seeking admission to the Ph.D. Programme shall apply for Provisional Admission to the Department concerned in the prescribed application form along with registration fee as may be prescribed from time to time by the University. The candidate will also submit three copies of his/her Ph.D. research proposal along with the application through his/her approved Supervisor. The Pre-Submission Presentation of the candidates will be placed before the Departmental Research Committee (DRC). The decision of the Departmental Research Committee (DRC) shall be final.

- b. The admission of the candidates for the Ph.D. degree shall be considered as provisional till the candidate successfully completes the Pre-Ph.D. course work.
11. Every candidate having been provisionally admitted to a Ph.D. programme shall be required to undertake and successfully complete the prescribed course-work of duration of one semester. The course work shall include four papers of 4 hours teaching per week.
 - a. The course work and examination will be conducted at the Department level.
 - b. The course work shall be treated as Pre-Ph.D. preparations.
 - c. The subject-wise syllabus for Pre-Ph.D. course work will be prepared by concerned Department Council. It will also determine the scheme of examination for the course-work.
 - d. There will be one paper Research Methodology, which may include quantitative methods, research aptitudes and computer applications as suitable to the Ph.D. Programme.
 - e. The second paper may involve reviewing of published research work in the relevant field under supervision of the assigned supervisor.
 - f. The third and fourth paper may be designed as per requirements of the area of research and may have elective options so that the candidate may select appropriate course in consultation with concerned supervisors.
 - g. The minimum qualifying marks in the course work shall be 50% or equivalent grade for the registration for Ph.D.
 - h. In case the candidate fails to obtain qualifying marks in the course work examination, he/she shall be given one more chance.
 12. University Grants Commission Rules, 2009 Section-19-20 shall also be applicable.
 13. The fee for application form, **PPET 2017-18** (2016-17 and 2017-18) and course work shall be determined with the prior approval of the Vice-Chancellor. If any doubt arises in the execution of the rules, the Vice-Chancellor's decision will be final in the matter.
