

Brief Introduction: The Department of Anaesthesiology at SPMC, Bikaner is a full fledged tertiary care provider in the field of anaesthesia and critical care since its inception in 1950. Our department was among the pioneers in India to introduce a separate PAC clinic & pain clinic in 1982. Our ICU was started in 1983. The Department provides quality anaesthesia care to more than 1000 surgeries of various disciplines every year. Though there is deficiency of equipments and staff since very long, with good interdepartmental coordination and hard work of our faculty and residents our department is trying to provide best care in the field of anesthesia and critical care. The Department is involved in wide range of activities namely:

- Managing Accident and Emergency services in Casualty and Emergency medicine ICU.
- Managing 20 routine OTs involving Neurosurgery, Surgery and Orthopaedics.
- Managing PACU
- Managing Anaesthesia ICU.
- Providing anaesthesia care to patients posted for MRI and CT scan.

Providing LSAS training to medical officers of Govt of Rajasthan
