Dated: 24th August, 2020

All State Nodal Officers,

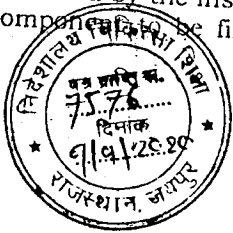

Subject: Scholarships for Students with Disabilities - Opening of National
Scholarship Portal (NSP) for AY-2020-21.

Dear Sir/Madam,

As you are aware, the Department of Empowerment of Persons with Disabilities (DEPwD) is implementing the three scholarships for students with disabilities through the National Scholarship Portal (NSP) namely Pre-matric scholarships for Class IX and X, Post-matric scholarships for Class XI to Post-graduation and Scholarship for Top Class Education for Graduate/Post Graduate Degree or Diploma in 241 notified institutions.

2. The registration of students on the NSP has started from **16th August 2020** for fresh applications and for renewal cases from **21st August 2020** on **website-www.scholarships.gov.in**. The details of these schemes are available on the website of this Department (**www.disabilityaffairs.gov.in**). The last date for registration and submission of application by the student is **31st October 2020**.

After the student submits on-line application, the school/institute/college will verify the applications online. For verifying the applications, the institute/School/college, must complete their registration form and get it verified from District/State Nodal Officer failing which the institute/school/college will not be able to verify the applications on-line. Those Institute/Schools with valid DISE/AISHE code can only register on NSP Portal. Also, from the FY 2020-21 the fee component viz. Tuition Fee and Admission Fee will be filled by the institution itself on the portal and not by the student. The fee component will be filled by the institute will be available on

requently asked questions (FAQ) on the website of this Department and also uploaded on the NSP home page shortly.

- 4. After first level verification i.e., by the institute/college/school, the State Nodal Officer concerned is required to verify the applications on-line. The State Nodal Officers may ensure timely registration and verification of institute/schools/Colleges under their jurisdiction. After verification of applications, the State Nodal Officer will digitally sign to verify students on NSP Portal instead of on the PFMS Portal.
- 5. The payment of the scholarship amount is made through Direct Benefit Transfer (DBT) mode to beneficiary's bank account. The number of scholarships allotted to each State/UT in Pre-matric, Post-matric and Top Class Education is in accordance with the proportion of PwD population of that State/UT in proportion to the total PwD population of India (copy attached). While the District/State Nodal Officer is expected to retain a copy of the duly authenticated online form received from institute/college/school, the Institute Nodal Officer is also required to retain a hard copy of student's verified documents in their custody.
- 6. State Nodal Officers/Institutes may check for updates/notifications on the NSP as all the notifications/updates will be flashed on the home page of National Scholarship Portal.
- 7. You are, therefore, requested to issue suitable instructions to District level authorities to mobilize students as well as the Institutions /School /Colleges so that students with disabilities are not deprived of the benefit of the schemes of this Department.

Yours faithfully,

Beena E. Chakravarty
(Beena E. Chakravarty)
Deputy Secretary

Encl: As above
