MA

Government of Rajasthan  
Medical Education Department

No. F.16 (12)ME/Gr-1/2020

Jaipur, dated 19th March, 2020

Principal & Controller,  
Medical Colleges  
Jaipur/Jodhpur/Udaipur/  
Kota/Bikaner/Ajmer/Jhalawar  
and Medical Colleges of RajMES

In view of the situation created by pandemic of Corona Virus, the following instructions are hereby issued regarding conduct of academic work in Medical Colleges in the State:-

- 1) The class room teaching and practical works, where number of students sit together (in close proximity) and distancing required for containing Corona virus can not be maintained, shall be suspended till 31<sup>st</sup> March, 2020. Therefore, no class room teaching shall be conducted in Medical Colleges till 31<sup>st</sup> March, 2020.
- 2) Post-graduate and Super speciality students shall continue to do their other duties as Residency and clinical work in hospitals.
- 3) Undergraduate students shall stay back in their hostel and Medical Colleges shall use e-learning tools to conduct academic sessions as far as possible. Intra-unit teaching in a group of 4-5 keeping proper distance between students may be held.
