

**April,2018**

## **Faculty leads the way in advancing medical education**

Dr. Manoj Kumar Sharma (Professor in Anatomy & Coordinator of Medical Education Unit) successfully completed a one year project based Advance Course in Medical Education (ACME) conducted by the Medical Council of India Nodal Centre for Faculty Development based in Smt. NHL Municipal Medical College (Ahmedabad, Gujarat). Through his project on “Improvement of communication among the MBBS students”, he demonstrated that better communication among the juniors and seniors not only leads to prevention of incidences of ragging but also strengthens the inter-personal relationship between doctors and patients. He was awarded the certificate for successful completion of the said course in the presence of Deans of other medical colleges of Gujarat and Dr. Reena Nayar (Additional Secretary, MCI) on 07<sup>th</sup> April,2018.
