Government of Rajasthan  
Medical Education (Gr-1) Department

No.16(92)ME./Gr-I/2019 part

Jaipur, Date 27 APR 2022

:-CIRCULAR:-

Problem of poor signal strength and call drop is prevalent in hospital campuses in view of large areas and mobile towers being located outside hospital campuses. This leads to inconvenience for doctors, nursing staff, patients' and their attendants. In view of this Mobile Service Operators who offer to provide enhanced Voice and Data Services through In Building Solutions (IBS) may be allowed to provide these solutions in Medical Colleges and Hospitals attached to Medical Colleges on following terms and conditions:

1. Medical Colleges and Hospitals shall not pay any charges for installation and operation of Inbuilding Solutions.
2. The Service Provider Company will have to bear the power charges and for this purpose, it will have to install a sub meter.
3. The Company will pay rental for space occupied by it at PWD rates.
4. The Company has to ensure complete repair of any damage incurred during installation in the hospital premises.
5. The Department has the authority to direct the service provider to wind-up their equipment and services with immediate effect in case of services not being found satisfactory.
6. The Service Provider company must ensure that the setup is used only for enhanced voice and data services and for no other purpose.
