

Government of Rajasthan
Department of Medical Education (Gr-1)

No. F.1(77)/ME/Gr.-1/2014

Dated: 6th March 2019

CIRCULAR

With a view to ensure timely compliance to the MCI deficiencies in context of teaching faculty in Government Medical Colleges of the State, following instructions are hereby issued to all Principal and Controller Medical colleges to send the proposals for designating the faculty as per MCI regulations:

1. Recommendation of Principal that the said faculty is required for taking care of MCI deficiency shall be mandatory along with the proposals.
2. The requirement as per MCI regulation "*Minimum Qualifications for Teachers in Medical Institutions Regulations, 1998 (Amended up to 31st August, 2018)*" includes teaching and research experience. The Principal shall enclose a certificate that the faculty is having teaching experience and research publication required. The research publications are as per the MCI requirement. (enclosing certified copies of only those publication which are as per MCI requirement).
3. These orders will be subject to following conditions:
 - a. The experience after designating a particular faculty on a higher post will not be counted as service experience for that particular post for the purpose of any promotion or financial benefit/upgradation/DACP/DPC/any other benefit related to the service rules applicable for employee.
 - b. The Department can designate the faculty for higher post as soon as he/she becomes eligible as per MCI regulation after getting examined by college academic committee and endorsed by the Principal and Controller.
 - c. It shall only be a temporary designation for the purpose of MCI strictly subject to being MCI compliant.
 - d. No seniority or priority issue/related grievance will be addressed by the Department based on the decision. This will be purely administrative decision for functional convenience.
