No. 16(49)DME/IT Section/Smart class/2021

2852

Jaipur, dated 13 September, 2021

ORDER

There are 15 Medical Colleges in Government Sector in the State, six Government Medical Colleges, one RUHS Medical College and eight RajMES/Jhalawar. There is a felt need for enhancing academic research co-ordination among these Medical Colleges. It would be prudent to utilize experts available in one Medical College in a particular subject for teaching and research in other medical colleges through appropriate administrative and technical measures. It is desirable that research in various departments in different medical colleges is shared and collaboration on a regular basis for better research outcomes and commensurate policy intervention.

In view of the above a State level "Co-ordination Committee for Academic & Research in Medical Education - CCARME" is hereby constituted. Following shall be members of the CCARME:

S.No.	Member	Designation
1.	Principal and Controller, SMS Medical College, Jaipur	Chairman
2.	Principal and Controller of any other Government Medical Colleges nominated by State Government	Co-chairman
3.	Dean, Academic RUHS	Member
4.	One Additional Principal/Dean Academic each from Medical Colleges nominated by Principal	Member
5.	Registrar, RUHS	Member
6.	Two experts to be nominated by State Government	Member
7.	Additional Director Academics, DME	Coordinator
8.	Additional Director Academics, RajMES	Co-Coordinator

The committee can invite other faculty members or experts for deliberation/discussion. The committee shall perform following function:

- 1) To review and monitor academic activities in all the Medical Colleges and put up its recommendations/suggestions to the Department of Medical Education.
- 2) To review and suggest various additional courses/degrees which needs to be started in Medical Colleges of the State.
- 3) To examine and give suggestions for regular up-dation and improvement in the syllabus to RUHS to keep pedagogy in tune with latest research and development in the field.

- 4) To identify National and International Academic Institution of Excellence for extending teaching, training, research and faculty exchange programme.
- 5) To promote collaboration with these institutions by State Medical Colleges through MoU or other similar arrangements.
