

\*DSA for Radiodiagnosis department\*

\*REC\* ( Rural Electrification Corporation)acts the Good Samaritan by providing 6 Cr from CSR fund

REC joins the SMS Medical College and Hospital by donating the first Digital Subtraction Angiography machine to the Department of Radiodiagnosis.The association shall bring a big relief to sick patients coming to the hospital.

The department is extremely grateful to REC and the Principal and Controller Dr Sudhir Bhandari for their immense support in materialising the project
