Venue: Demonstration Room-205, 206, 2<sup>nd</sup> Floor, New Academic Block.

| Date     | Day   | Batch                | Topic                                       | Teachers       | P. G. Students  |
|----------|-------|----------------------|---|----------------|-----------------|
| 01.10.21 | Fri   | A                    | History and General Examination             | Dr. A. Dube    | Dr. Tejshree    |
|          |       | C                    | Adrenal cortex hormone & its regulation     | Dr. J. Shukla  | Dr. Amita       |
| 04.10.21 | Mon   | B                    | Physiological Actions of glucocorticoids    | Dr. M. Sharma  | Dr. Saroj       |
|          |       | D                    | Acid-Base Balance                           | Dr. A. Kumawat | Miss. Komal     |
| 05.10.21 | Tues  | A                    | Identification of EEG forms                 | Dr. S. Vyas    | Miss., Vanshika |
|          |       | C                    | Physiological Actions of glucocorticoids    | Dr. A. Yadav   | Dr. Tejshree    |
| 06.10.21 | Wed   | C                    | Artificial kidney & Renal transplantation   | Dr. D. Jeph    | Dr. Rozy        |
|          |       | D                    | Artificial kidney & Renal transplantation   | Dr. K. Gupta   | Dr. Himanshu    |
| 08.10.21 | Fri   | A                    | Autonomic function test                     | Dr. N. Gupta   | Dr. Amita       |
|          |       | C                    | Applied aspect of adrenal cortex hormone    | Dr. P. Punjabi | Dr. Saroj       |
| 09.10.21 | Sat   | A(12-1 PM)           | Synapse                                     | Dr. S. Meena   | Dr. Jitendra    |
|          |       | B (12-1 PM)          | Actions of adrenal medullary hormones       | Dr. A. Dube    | Dr. Bhuvnesh    |
| 11.10.21 | Mon   | <b>Local Holiday</b> |   |                |                 |
| 12.10.21 | Tues  | A                    | Diabetes Mellitus & Metabolic syndrome      | Dr. J. Shukla  | Miss. Komal     |
|          |       | C                    | Actions of adrenal medullary hormones       | Dr. M. Sharma  | Miss. Vanshika  |
| 14.10.21 | Thurs | B                    | Identification of EEG forms                 | Dr. A. Kumawat | Dr. Tejshree    |
|          |       | D                    | Adrenal cortex hormone & its regulation     | Dr. S. Vyas    | Dr. Amita       |
| 16.10.21 | Sat   | A(12-1 PM)           | Neurotransmitters                           | Dr. K. Gupta   | Dr. Harvendra   |
|          |       | B (12-1 PM)          | Neurotransmitters                           | Dr. D. Jeph    | Dr. Anwar       |
| 18.10.21 | Mon   | B                    | Autonomic function test                     | Dr. A. Yadav   | Dr. Saroj       |
|          |       | D                    | Applied aspect of adrenal cortex hormone    | Dr. N. Gupta   | Miss. Komal     |
| 20.10.21 | Wed   | C (11-12PM)          | Applied Aspect of Adrenal medullary hormone | Dr. P. Punjabi | Dr. Mrinal      |
|          |       | D(11-12PM)           | Actions of adrenal medullary hormones       | Dr. S. Meena   | Dr. Minal       |
|          |       | A(12-1 PM)           | Local Hormones                              | Dr. A. Dube    | Dr. Rozy        |
|          |       | B (12-1 PM)          | Local Hormones                              | Dr. J. Shukla  | Dr. Harvendra   |

Office of the Department of Physiology, S.M.S. Medical College, Jaipur

| Date     | Day   | Batch       | Topic                                       | Teachers       | P. G. Students |
|----------|-------|-------------|---|----------------|----------------|
| 21.10.21 | Thurs | B           | History and General Examination             | Dr. M. Sharma  | Miss. Vanshika |
|          |       | D           | Applied aspect of adrenal medullary hormone | Dr. A. Kumawat | Dr. Tejshree   |
| 22.10.21 | Fri   | A           | Smell physiology                            | Dr. S. Vyas    | Dr. Amita      |
|          |       | C           | History and General Examination             | Dr. D. Jeph    | Dr. Saroj      |
| 23.10.21 | Sat   | A(12-1 PM)  | Neuro Modulation                            | Dr. A. Yadav   | Dr. Bhuvnesh   |
|          |       | B (12-1 PM) | Neuro Modulation                            | Dr. K. Gupta   | Dr. Jitendra   |
| 25.10.21 | Mon   | B           | Diabetes Mellitus & Metabolic syndrome      | Dr. N. Gupta   | Miss. Komal    |
|          |       | D           | History and General Examination             | Dr. P. Punjabi | Miss. Vanshika |
| 26.10.21 | Tues  | A           | Optics of eye                               | Dr. S. Meena   | Dr. Tejshree   |
|          |       | C           | Autonomic function test                     | Dr. A. Dube    | Dr. Amita      |
| 27.10.21 | Wed   | C           | Identification of EEG forms                 | Dr. J. Shukla  | Dr. Harvendra  |
|          |       | D           | Identification of EEG forms                 | Dr. M. Sharma  | Dr. Anwar      |
| 28.10.21 | Thurs | B           | Smell physiology                            | Dr. A. Kumawat | Dr. Saroj      |
|          |       | D           | Autonomic function test                     | Dr. A. Yadav   | Miss. Komal    |
| 29.10.21 | Fri   | A           | Components of sensory system                | Dr. S. Vyas    | Miss. Vanshika |
|          |       | C           | Synapse                                     | Dr. D. Jeph    | Dr. Tejshree   |
| 30.10.21 | Sat   | A(12-1 PM)  | Taste physiology                            | Dr. K. Gupta   | Dr. Mrinal     |
|          |       | B (12-1 PM) | Taste physiology                            | Dr. N. Gupta   | Dr. Minal      |
